Please Boost the Tap

This blog provides a regular comment on matters of concern to readers. It is often described as 'lively' 'enjoyable' and 'interesting'. The Tap is run by software professionals who don't invoice their work, but who have ordinary jobs and like everyone else, need some income from time to time. If you are enjoying the Tap, you might bear this in mind and send us a little thank you occasionally. It would be greatly appreciated.

Now It Makes Sense... "Europe Is Being BURNT To The Ground!" | Neil Oliver

Tue 9:49 am +00:00, 4 Mar 2025

posted by Gordon

Ukrainian President Volodymyr Zelenskyy (left), talks with British Prime Minister Keir Starmer (middle) and French President Emmanuel Macron at a summit in London on March 2.

Europe is no longer safe – not because of war, but because of those in power who want to erase its identity and independence. Neil Oliver warns that mass migration, censorship, and the Ukraine war are ALL part of a bigger agenda. Is this all leading toward a controlled collapse? Is Europe being set up for disaster?

Gordon.

Isaiah 59:7-9

[7] Their feet run to evil, and they make haste to shed innocent blood: their thoughts *are* thoughts of iniquity; wasting and destruction *are* in their paths.

[8] The way of peace they know not; and *there is* no judgment in their goings: they have made them crooked paths: whosoever goeth therein shall not know peace.

[9] ¶ Therefore is judgment far from us, neither doth justice overtake us: we wait for light, but behold obscurity; for brightness, *but* we walk in darkness.
